

Everybody Counts!

Los Angeles City Council Redistricting Commission January 13th
2012

Organized Group Presentations

Does your organization, neighborhood council, or community group have thoughts about City redistricting? Have you created a map that expresses your ideas for district boundaries and want to share them with the Commission? Then, you should attend LACCRC's hearing for group presentations! Commissioners will be present to hear testimony from your organization. We encourage participants to submit their draft maps and other supporting materials. The group presentation is open to the public and everyone is welcome. The schedule has changed to allow presentation for only one day. For more information, call us at (213) 922-7740.

Help Shape Your City!!

Shape your community by getting involved! Every 10 years, residents have the power to redraw the 15 City Council Districts boundaries. The Los Angeles City Council Redistricting Commission is comprised of 21 appointed volunteers who must submit a draft of a new council district map to the LA City Council by March 1. To accomplish this goal, the LACCRC has held citywide public hearings to receive direct input from the community. The LACCRC needs your feedback. Help shape the future of your community by getting involved in these up-

coming events! There will be a new series starting in February. Don't miss out on this process that only occurs every 10 years. Korean, Japanese, Chinese, Thai & Spanish translators are available.
